Internship

Hi Debdatta,

You are approved for the **Machine Learning** track in the **July 2026** cohort. The program kicks off on **July 1, 2026**. Here is what to do between now and then:

- 1. **Add FlyRank to your LinkedIn** — log in to the portal and it walks you through it in a couple of clicks.
- 2. **Share the news with your network** (optional) — announcement images and post templates are ready in your portal.

Onboarding, assignments, and the full portal will open when the cohort starts on July 1, 2026. In the meantime, we will be following up with some updates as we gear up for the launch.

Welcome to the Team!
